

79G Anti-Smashing Radar

ITS-AX2

Specifications

Operating Voltage	10- 16V (typ. 12V/1A)
Operating temperature	-40°C~85°C
Average power consumption	< 2.5W
Waterproof level	IP66
Communication Interface	RS485; Bluetooth
Factory horizontal width	Default ±0.5 meters, can be customized within ±1.5 meters
Factory longitudinal length	1 -6m configurable, default 3m
Online debugging	485; Bluetooth communication debugging
Online upgrade	485;Bluetooth communication upgrade
